**Commissioner for Patents**

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the supervisory examiner has determined is reasonably necessary to the resolution of inventorship of this application.

Applicants filed a request to correct inventorship of issued US Patent 6,815,173 (USSN 10/009,698), pursuant to 35 USC 256 on 06-03-2010. As required by 37 CFR 1.324(b)(2), deleted inventor Victoria Pope provided a statement. The statement was specifically indicated as signed under duress.

Applicants are required to provide information regarding the facts and circumstances which necessitated Victoria Pope to indicate that she signed the statement under duress.

Applicants are required to provide information, either verbal or written, that was given to Victoria Pope regarding inventorship at the time she signed the statement.

Further, Applicants should provide information concerning any facts or circumstances or statements by Victoria Pope to indicate that she was under compulsion or coercion or constraint to sign the statement.

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained may be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of two months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
